IN GENERAL

Three directors will be elected during the Virtual 2022 Annual Meeting and all bona fide candidates are automatically nominated. If you do not indicate votes for a candidate named above and do not write in the name of a candidate, your shares will be counted only for purposes of determining quorum. There are no candidate withdrawals permitted, so if a candidate is unable to serve as of the date of the Virtual 2022 Annual Meeting, the votes directed to that candidate will still be voted for that candidate and will not be redirected to another candidate. Please see the Proxy Statement for more details on voting.
